RES Champions,

The Auburn Public Library is hosting Parent Virtual Lunch and Learn opportunities in collaboration with Auburn City Schools to support parents of remote learning students. The linked flyer ([Parent Virtual Lunch and Learn](#)) provides sign up information as well as topics for the six-week series of meetings. The second flyer ([Library Packet - ACS](#)) provides information about using the Auburn Public Library as a resource for print books, ebooks, audio books or emagazines. We are grateful to our partners at the Auburn Public Library and hope you can participate. The sessions will be facilitated by a member of the Auburn Public Library staff.

Go Champions!
