RES Champions,

It is with mixed emotions that I inform you that Officer Ellison, School Resource Officer, has received a promotion and will not be working with us anymore. The good news is that he does have a temporary replacement, Officer Sanders (see pictured below). Officer Sanders is a K9 officer and has a beautiful dog, Underdog, that partners with him. Officer Sanders would like to allow Underdog to enter our building and interact with our students when appropriate. If you, or your child, have any issues being around this dog please communicate your concerns to me in writing and we will make alternate accommodations. We anticipate this service dog will be a benefit to the student's learning and we look forward to this new addition to our school community.

Thank you for your understanding and support.

Sincerely,

Jeffery J. Johnson
