From the Counselor's Desk

is it BULLYING?

When someone says or does something *unintentionally* hurtful and they do it once, that's
RUDE.

When someone says or does something *intentionally* hurtful and they do it once, that's
MEAN.

When someone says or does something *intentionally* hurtful and they *keep doing it*—even when you tell them to stop or show them that you're upset—that's
BULLYING.

Parents, we have a few spaces now available in our after school program!

If you are interested, please contact Emily Granger at

Thank you to our **AMAZING** PTO and AEEC parents!!!

Due to fundraising efforts, our school was able to purchase ukuleles and xylophones for use in Mr. Meyer's music class. Our school was also able to purchase a slab clay roller and potter's wheel for use in Mrs. Daniel's art class!

Students in Mr. Meyer's class LOVE learning to play the ukuleles!

Mrs. Daniel's art students are creating beautiful art with the new slab clay roller!

Second grade students and teachers had a blast celebrating the Chinese New Year on February 16th!
