

## Curriculum Corner

---

April has been filled with teaching and learning. Students have been working hard at reaching and exceeding end of the year benchmarks. As we enter the last few weeks of school, it is important that all students are present. There will be several important assessments given. We are looking forward to seeing our end of the year data! Our students have learned so much!

## Title I News

---

Happy Spring! It is that time of year where we are asking you to take the time to complete our 2018-2019 Title I Parent Climate Survey. Mr. Bruner, Ms. Keene, Mrs. Dorman, and the AEEC teachers are asking for your input so that we can continue to improve our service(s) to you and your children. The information from the survey will be used to refine our school goals, examine how well we are meeting our students' and their family's needs, and make changes to our program. Please be assured that your responses to this survey will be anonymous and your honest opinion is appreciated.

If you need the direct link to complete it online, please don't hesitate to email me. Computer and iPads will be available to those who need access to the Internet to complete the survey. If you have any questions, please contact me at [padorman@auburnschools.org](mailto:padorman@auburnschools.org). Thank you for all of your continuous support!

### Notes from Nurse Haley

With the 2018-2019 school year coming to a close if your child has medication at school, it is important for you to stop by the School Nurse’s office pick up the medication. A parent and/or adult must be the one to pick up medication. For safety reasons, your child will not be allowed to pick up their medication. Medications not retrieved by the deadline will be discarded consistent with federal guidelines set by the Office of National Drug Control Policy. The deadline to pick up is May 22 by noon.

### Mother’s Day at AEEC

Gigi’s Cupcakes is partnering with our school for a special Mother’s Day fundraiser! Gigi’s will give \$5 back to our school, and you get a delicious treat!!! Gigi’s is making us a unique box of 6 chocolate and 6 vanilla mini cupcakes. Please make sure to turn in your form and payment by May 6.

### Teacher Requests for 2019-20 School Year

Our teachers and administrators go in depth to design classrooms with the proper balance of students, while accounting for academics, behavior, learning styles, and personalities. Feel to write me (Mr. Bruner) a letter describing information about your child and the type of teacher s/he would best be suited, but I respectfully ask you not request a particular teacher by name. Thank you in advance for your cooperation as we work to design the most ideal classroom makeup as possible.
