From the office of Dr. Shelley Aistrup, Principal

Dear AEEC Parents and Guardians,
This Thursday evening, we are holding a special event for our Title One Information Night called "If You Read a Child A Book". AEEC is a school wide Title One school. This means that we have federal funds to support all of the students in our building. These funds pay for salaries for our Title One Teacher and her aide, instructional funds for the classroom, professional development for teachers, and parent engagement activities.

We will be meeting in the Tigers Den at 6 PM where our teachers will be sharing tips and strategies for reading with your children at home. We want to have enough materials for everyone who attends, so please RSVP with the form on page 4 by Wednesday, August 30. We hope to see you there!

ASTHMA/ALLERGY SEASON

The season is beginning to change! If your child has Asthma or Allergies and may require **any medication at school**, please make sure to make an appointment with Nurse Tamika Foreman to obtain information on the paperwork that will need to be completed. Our main goal is to keep children healthy and in school so that they may learn.

SICK CHILD POLICY

With the stomach bug going around the tree, I wanted to send out a friendly reminder about our ACS policy on students that may become ill. In order to ensure the health and safety of all students, school nurses monitor the presence of symptoms indicating the potential presence of a communicable, or infectious, health condition. When indicative symptoms exist, your child must be excluded from school. *Please see the ACS Parent and Student Handbook for more information found on page 50.*

- **Persistent Fever:** Oral temperature of 100.4 degrees or higher. Your child must not attend school until fever free 24-hours without fever-reducing medication.
- **Vomiting:** Your child must not attend school if the following exist: - One episode of vomiting + the presence of another symptom (fever, diarrhea, etc.); or - Two or more episodes of vomiting within a 24-hour period, even if no other symptoms exist.
- **Diarrhea:** Your child must not attend school if the following exist: - One episode of diarrhea + the presence of another symptom (dehydration, fever, etc.); or Three or more episodes of diarrhea in a 24-hour period, even if no other symptoms exist.

LUNCH REMINDERS:

When you send money to school, please place the money in an envelope with your child's name, the teacher's name, and the purpose of the money. This helps us to keep of funds and make sure the money goes to the right place.

Check out My School Bucks and use the option to pay for school meals, field trips, preschool fees, after school program fees, and other items online!

Arrival and Dismissal

Your child's attendance in school is very important. Please be sure your child is on time by being in the classroom before 7:45 AM each day. Our school doors open at 7:15 AM.

Instruction begins promptly at 7:45 AM. When a student is tardy, he/she misses important directions, news, school announcements, and the pledge of allegiance. Help your child have a successful school year by being present and on time each day.

Help your child be successful in PE! Send him/her to school in tennis shoes so he/she can play during the daily PE class. It is also helpful for girls to wear shorts under their dresses.

Check out our Facebook page entitled Auburn Early Education Center. We hope you will "like" us and follow our news and updates!

We are looking for volunteers!

Are you interested or do you know anyone interested in listening to students read aloud or helping them with sight words and/or math facts?

When would volunteers be needed? Once or twice a week for at least an hour. Please call Ms. Keene, assistant principal, at

334-887-4950 or email tdkeene@auburnschools.org for more information!
