### A little bit about me...

This will be my 25<sup>th</sup> year teaching 4<sup>th</sup> grade at Ogletree. I LOVE working with OES All-Star students, parents, and teachers!

When I am not teaching, I enjoy spending time with my three children and three grandchildren. I also enjoy reading, traveling, exercising, and being outdoors.

Dear OES All-Star,

Welcome back to school! Fourth grade is a fun year with many engaging learning activities, special events, and field trips!

You're going to love the 4<sup>th</sup> grade curriculum. In Language Arts we will read chapter books so captivating you won't be able to put them down! In Social Studies, we'll learn all about our state's rich history. In Math, we'll use our problem-solving skills to multiply and divide large numbers. In Science, (my personal favorite ☺) we'll experiment with forces, light and sound, circuits, codes, and much more! I hope you are ready to learn and grow!

Please drop by our classroom for "**Meet The Teacher**" on **Friday, August 5<sup>th</sup> (1:00-3:00)**.

I can't wait to meet you and get our year started!

Sincerely,  
Ms. Adrian
